

## 2241 CD Cassette Recorder

### Features

- Integral Cassette player.
- Mp3 compatible.
- CD, USB & SD speed control.
- 2 internal loudspeakers.
- Built-in microphone.
- 2 external amp outputs.
- 6 wired headphone sockets.
- Exceptionally loud & clear amplified playback of any recorded speech or music.
- Mains cable & power switch is fitted.
- Carry bags are available to keep the unit & accessories safe.
- Each input type has its own volume control for simplicity of mixing, separate Bass & Treble controls.
- 2 external speaker sockets.
- **Made in Great Britain**

The CD Cassette Recorder is ideal for large rooms requiring a practical solution for CD and cassette operation.

### You can

- Connect microphones to amplify your voice and mix over backing tracks.
- Use the speed control to slow down the audio from CD/ USB/SD to give the audience time to listen to it so that learning dance, music or language is easier to understand.
- Use the remote control functions of the CD player to give better control and flexibility of use.
- Class facing loudspeakers and teacher facing controls for easy use.
